Product description

CR 4425 the complete set offers a thematic and sensual representation with these seven pieces, the schoolgirl costume is made of 100% cotton. Complete and ready to be worn at theme parties, costume events or any occasion that requires a touch of fun and school nostalgia.

The black short-sleeved top is an essential part of the schoolgirl outfit. Often, this type of top is tight to highlight the figure and is usually basic to contrast with the skirt and other accessories.

The checkered miniskirt is a classic in schoolgirl costumes. It is usually short and pleated, evoking the typical uniform of female students. The checks are a distinctive feature of this type of skirt. The skirt belt can be an optional accessory to add a touch of extra detail to the skirt and to adjust it according to the wearers preference.

Glasses are an iconic accessory that completes the intellectual schoolgirl look. They can be thick-rimmed and add a touch of innocence and seriousness to the costume. The tie is another characteristic element of the school uniform. In this case, its probably a small tie or bow tie that fits the schoolgirl style.
