### Product description

Discover a sensual black leather-look set that sparks the imagination and highlights your confidence.

The bra is crafted with perfect balance – the inner part of the cups features delicate mesh that subtly reveals the skin, while the outer part, made from opaque material, adds a hint of mystery. Fastened at the back with hooks and featuring adjustable straps, it perfectly shapes your curves while providing comfort and an ideal fit.

Completing the look is a sexy skirt that hugs the hips in a daring style, accentuating your figure. The matching thong adds an extra touch of allure, while garters and stockings create a complete, seductive set that pairs flawlessly with the entire ensemble.
