Product description

CR 4850

A sensual set made of vaporous red tulle that caresses the body like a delicate mist.
The top, with adjustable straps, is adorned with metal rings and chains that can be repositioned to highlight whatever you want.
The long, flowing skirt with high slits reveals the legs in a provocative way, adding a touch of mystery.
And to complete the look, seductive thongs... Because sometimes, the softest touch is the one that generates the most audacity.
