GIVE IT POWER!

The built-in batteries in your new favorite vibrator make it rechargeable and therefore environmentally friendly. If you want to charge your pleasure device with a mains plug, the included USB cable can be supplemented with a standard 5 V mains plug.

MORE FUN WITH LUBRICANT

For maximum smooth pleasure, always use your Cici Beauty with one of Waterfeel's or Aqua's water-based lubricants that are perfectly matched to the product. This will make your experience joyously intense and give you an added pleasure factor. They are available in neutral versions, with cold, hot and flavored effects.

MATERIALS AND CARE

Cici Beauty Silicone features an incredibly flexible satin matte surface. Waterproof (IPX6) and combined with a practical ergonomic control made of the same material with details in scratch-resistant GOLD ABS, Cici Beauty toys are easy to clean and remain hygienic for a long time. The flexible material is wonderfully slippery and quickly warms up to body temperature. Your vibrator can be cleaned quickly and easily with a little soap and warm water. Finally, it guarantees exhaustive hygiene with a few sprays of disinfectant cleaner for toys.

Enjoy your toy as much as we have enjoyed making it for you.
