Product description

Cici Beauty Rabbit is a true all-rounder when it comes to pampering your sensitive spots. Both as a rabbit vibrator and as a massager, it knows how to take care of you according to all the rules of the art.

TWO FUNCTIONS FOR TRIPLE ORGASM!

Two powerful motors power the Cici Beauty Rabbit and it lifts you up to a true ecstasy. One of the motors is in the shaft and the clitoral stimulator, so that Cici Beauty Rabbit pampers your G-spot and your clitoris in its rabbit function with intense vibrations. 10 hot vibration programs always provide variety. Due to its slightly curved and ergonomically designed shape, it can also work on all your erogenous points or tense areas in a very targeted way.

PURE RELAXATION!

With its surface made of soft silicone, the Cici Beauty Rabbit nestles against you and is particularly gentle on your skin. For maximum relaxation, you can also dive with the toy: thanks to its waterproof finish (IPX7), it will also become your new best friend in the shower or bath.

GIVE IT POWER!

The built-in batteries in your new favorite vibrator make it rechargeable and therefore environmentally friendly. If you want to charge your pleasure device with a mains plug, the included USB cable can be supplemented with a standard 5 V mains plug.

MORE FUN WITH LUBRICANT

For maximum smooth pleasure, always use your Cici Beauty with one of Waterfeel's or Aqua's water-based lubricants that are perfectly matched to the product. This will make your experience joyously intense and give you an added pleasure factor. They are available in neutral versions, with cold, hot and flavored effects.

MATERIALS AND CARE

Cici Beauty Silicone features an incredibly flexible satin matte surface. Waterproof (IPX7) and combined with a practical ergonomic control made of the same material with details in scratch-resistant GOLD ABS, Cici Beauty toys are easy to clean and remain hygienic for a long time. The flexible material is wonderfully slippery and quickly warms up to body temperature. Your vibrator can be cleaned quickly and easily with a little soap and warm water. Finally, it guarantees exhaustive hygiene with a few sprays of disinfectant cleaner for toys.

Enjoy your toy as much as we have enjoyed making it for you.
