Product description

The **COCK MILLER** 20.5 cm is a unique piece in the erotic toy market, combining advanced technology with a realistic design. With an internal silicone light, a powerful multi-speed vibration motor, and wireless remote control, this dildo is designed to offer a complete experience both physically and sensorially. Made of high-quality medical silicone, its anatomical shape, soft to the touch and detailed, offers comfortable and pleasurable penetration, while the LED lighting will add an exciting visual atmosphere during use.

Ideal for both solo play and exploring new forms of pleasure as a couple, the COCK MILLER 20.5 cm will take you to new heights of satisfaction.

Technical specifications:

- Total length: 20.5 cm
- Insertable length: Approximately 18.5 cm
- Average diameter: 4.2 cm
- Material: Medical-grade liquid silicone (Silicon Lighting), completely hypoallergenic and phthalate-free
- Texture: Soft to the touch with anatomical details such as a well-defined glans and realistic veins for a more authentic feel
- Firmness: Firm core with a flexible outer layer for a comfortable and realistic

Electronic Functions:

- Internal LED Lighting (Silicon Lighting): The internal lighting system runs through the body of the dildo, responding to the rhythm of the vibrations or illuminating constantly. Perfect for creating a sensory visual atmosphere during use.
- Multi-speed vibration: Motor with different vibration patterns and intensity levels ranging from gentle pulsations to intense, continuous vibrations.
- Wireless remote control: Allows you to change vibration and light settings remotely (up to 10 meters range), making control easier and providing a comfortable experience.
- USB rechargeable battery: 600 mAh capacity, with a battery life of up to 90 minutes of continuous use.
- Estimated charging time: 2 hours.
- Noise level: Less than 50 dB, for a discreet and comfortable experience.

Design and Functionality:

- Water resistance (IPX7): Suitable for use in the shower or bath and easy to clean.
- Strong suction cup base: Allows the dildo to be attached to any smooth surface for a hands-free experience.
- Harness compatibility: Ideal for use with a partner using an O-ring harness.
- Anatomical curvature: Its gently curved design allows for precise stimulation of the G-spot or prostate, depending on the angle of insertion.

Maintenance and care:

- Clean before and after each use with warm, soapy water. Neutral or toy cleaner
- Use only with water-based lubricants to preserve the material.
- Store in a cool, dry place away from direct light. Includes a protective bag for safe storage.
