Product description

The **COCK MILLER** 21.5 cm is a high-end dildo that offers a unique multi-sensory experience. With internal silicone lighting that runs through the body of the dildo and a powerful multi-speed vibration motor, this model not only stimulates your body, but also your visual senses. In addition, its remote control allows you to easily adjust the vibration intensity and brightness without interrupting the moment. Made of premium medical silicone, this dildo is Designed to offer maximum safety and comfort while providing deep, realistic stimulation.

Its generous 21.5 cm size makes it the perfect choice for those seeking deeper penetration and a more intense and pleasurable experience, while its water resistance makes it ideal for use in the shower or bath.

Technical specifications:

- Total length: 21.5 cm
- Insertable length: Approximately 19.5 cm
- Average diameter: 4.3 cm
- Material: Medical-grade liquid silicone (Silicon Lighting), Hypoallergenic and phthalate-free
- Texture: Soft, skin-like, with a realistic glans and detailed veins that offer an authentic feel during penetration
- Firmness: Firm core with a flexible outer layer, designed to simulate the consistency of a real erection

Electronic Functions:

- Internal LED Lighting (Silicon Lighting): LED lights integrated into the dildo's silicone that react to the vibration modes, creating a stimulating visual atmosphere
- Multi-speed Vibration: Motor with various vibration intensities, from gentle pulsations to powerful, steady vibrations
- Wireless remote control: Allows you to change vibration modes and lighting from a distance of up to 10 meters, offering convenience and flexibility
- USB rechargeable battery: 600 mAh battery allows for up to 90 minutes of continuous use
- Charging time: Approximately 2 hours
- Noise level: Low (<50 dB), ideal for maintaining discretion during use

Design and functionality:

- Water resistance (IPX7): Fully submersible, allowing use in the shower or bath, and easy cleaning
- Base with Powerful suction cup: Allows you to attach the dildo to any smooth surface for a hands-free experience.
- Harness compatibility: Compatible with O-ring harness systems, ideal for couples play.
- Anatomical curvature: Its slightly curved design facilitates precise stimulation of the G-spot or prostate, depending on the angle of insertion.

Maintenance and care:

- Clean with warm water and neutral soap before and after each use.
- Use only water-based lubricants to avoid damage to the material.
- Store in a cool, dry place away from direct sunlight. Direct sunlight. Comes with a protective bag for hygienic storage.
