Price	**107.67 £**
Number	**79377452**
Producer code	**FETISHID-243374**
EAN	**8435565954741**

Product description

Designed for those seeking a realistic, intense, and completely immersive experience, the **COCK MILLER** 8.5" Thrusting is a high-end dildo that combines advanced technology, power, and a stunning anatomical design. Its automatic thrusting function accurately simulates the natural movement of penetration, offering deep, rhythmic, and completely hands-free stimulation.

This dildo doesn't just look like the real thing—it feels and moves like one— Ideal for solo sessions or couples play, its robust construction, medical-grade materials, and quiet motor make it one of the most complete toys on the market.

Technical specifications:

- Total length: 21.5 cm
- Insertable length: Approx. 19.5 cm
- Average diameter: 4.3 cm
- Material: Premium-grade medical silicone, hypoallergenic, phthalate-free, and completely body-safe.
- Texture: Ultra-realistic, with a well-defined glans, prominent veins, and a "skin" finish. (skin-touch) for an authentic sensation
- Firmness: Firm internal structure with a soft and flexible outer layer, simulating a real erection

Thrusting System:

- Internal thrusting motor: Linear back and forth motion that simulates rhythmic penetrations
- Thrusting modes: Multiple intensity levels and adjustable thrusting patterns
- Low-noise motor: Less than 50 dB, for a discreet experience
- Wireless remote control: Allows you to change modes and speeds without directly touching the toy (range approx. 10 meters)
- USB rechargeable battery (included): 600 mAh
- Battery life: Up to 60–75 minutes of continuous use
- Charging time: 2–2.5 hours

Design and functionality:

- Extra-strong suction cup base: Ensures a stable hold on smooth surfaces for completely hands-free sessions
- Harness compatibility: Perfect for couples play using an O-ring harness
- Anatomical curvature: Designed to stimulate the G-spot or prostate depending on the angle and depth of insertion
- Water resistance (IPX6): Suitable for shower and for easy cleaning (not fully submersible)

Maintenance and Safety:

- Clean before and after each use with warm water and neutral soap or specialized cleaner.
- Use only with water-based lubricants.

- Store in a dry, cool, and dust-free place. Storage case included.
