Product description

This realistic 5.75" dildo is designed to offer an intense and personalized pleasure experience thanks to its premium silicone, flexibility, and powerful suction cup. Ideal for those seeking a comfortable and realistic penetration experience, this erotic toy combines the softness of medical silicone with the functionality of a suction cup for attachment to smooth surfaces, providing the option of hands-free use.

Thanks to its flexibility, you can adjust the dildo to different positions and angles, making it perfect for exploring a variety of pleasures, whether solo or with a partner. Its water resistance allows you to enjoy it in the shower or bath, adding an extra dimension of versatility and comfort.

Technical specifications:

- Total length: 14.8 cm
- Insertable length: Approximately 13 cm
- Average diameter: 3.5 cm
- Material: High-quality medical silicone, hypoallergenic and phthalate-free, ensuring safety and comfort during use.
- Texture: Soft to the touch, "skin" type, with realistic anatomical details such as glans and veins, for a more realistic experience. Authentic
- Firmness: Flexible yet firm core, allowing for a comfortable and adaptable experience according to the user's needs and desires.

Additional Features:

- Bendable: Its flexible design allows it to be bent at different angles to adapt it to the position that best suits your stimulation needs. Ideal for exploring sensitive areas and experiencing different penetration sensations
- Extra-strong suction cup: The base features a high-adhesion suction cup, allowing it to be securely attached to flat, smooth surfaces (such as tiles, glass, wood, etc.) for a hands-free experience
- Waterproof (IPX7): This dildo is completely waterproof, allowing it to be used in the shower, bathtub, or pool, and making it easy to clean after each use

Functional and versatile design:

- Easy to use: The suction cup allows for a firm hold on smooth surfaces, making it ideal for solo use without having to hold it.
- Ideal for couples: Compatible with O-ring harness systems to explore new ways of playing and pleasuring as a couple
- Soft curvature: Although its size is compact, its design and flexibility allow it to adapt to different positions, achieving targeted stimulation of the G-spot or prostate, depending on the shape and angle of insertion.

Maintenance and care:

- Clean with warm water and neutral soap before and after each use to keep it hygienic and safe.

- It is recommended to use only water-based lubricants to preserve the quality of the silicone material.
- Store in a dry, cool place away from direct sunlight. It is recommended to use a storage bag to protect it from dust and other external agents.
