Product description

This realistic 7.5" dildo has been designed to provide a unique and customizable pleasure experience. With a premium silicone construction, flexibility to adapt to your desired positions, and a powerful suction cup that ensures it stays securely in place on smooth surfaces, this sex toy is perfect for solo or partner play, giving you complete freedom of movement.

The flexibility of this dildo allows you to adapt it to any angle and shape, giving you the opportunity to explore a wide variety of sensations. Plus, its water resistance makes it an ideal choice for use in the shower or bath, adding an extra touch of versatility and comfort.

Technical specifications:

- Total length: 19.3 cm
- Insertable length: Approximately 17.5 cm
- Average diameter: 3.7 cm
- Material: High-quality medical silicone, hypoallergenic and phthalate-free
- Texture: Soft, skin-like surface with realistic anatomical details such as the glans and veins, for a more realistic feel. Authentic during use
- Firmness: Flexible yet firm core that adapts perfectly to stimulation positions and needs without compromising safety and comfort

Additional functions:

- Bendable: Its flexible design allows you to bend it and place it in the position that best suits your stimulation preferences, making it an ideal option for exploring different erogenous zones
- Extra-strong suction cup: The base features a high-adhesion suction cup that allows the dildo to be securely attached to any flat, smooth surface, such as tiles, glass, wood, and more. Perfect for a hands-free experience
- Waterproof (IPX7): This dildo is completely waterproof, allowing you to use it in the shower, bath, or pool. It also makes cleaning easier after each use.

Functional and versatile design:

- Easy to use: Thanks to the suction cup, the dildo attaches firmly to smooth surfaces, making it ideal for solo use without the need to hold it.
- Ideal for couples: Compatible with O-ring harnesses, opening up new possibilities for couples.
- Adaptive curvature: Although its larger size, its flexible design and bendability make it suitable for experimenting with different positions and achieving precise stimulation of the G-spot or prostate.

Maintenance and Care:

- Clean with warm water and mild soap before and after each use to keep it hygienic and safe.
- It is recommended to use water-based lubricants to maintain the integrity of the silicone material.

- Store in a dry, cool place away from direct sunlight. It is advisable to store the dildo in a protective bag to prevent the accumulation of dust and other external agents.
