Product description

The **COCK MILLER** 19.5 cm is a high-performance realistic dildo, designed for users looking for a complete sex toy in terms of functionality, quality of materials and anatomical realism. This model combines multiple technologies in a single product, guaranteeing a pleasurable, safe, and versatile experience.

Main technical characteristics:

- Total length: 19.5 cm
- Insertable length: ~17.5 cm
- Average diameter: 4.1 cm (with slight variation to simulate the real venous body)
- Material: 100% hypoallergenic medical silicone, phthalate-free
- Texture: Realistic, with a soft, matte, "skin-touch" finish and anatomical details (veins, glans, natural curvature)
- Firmness Level: Medium-High (firm structure with soft coating)

Electronic Features:

- Vibration: Multiple patterns and intensity levels (from gentle to intense)
- Motor: Silent (<50 dB), high efficiency, and long-lasting
- Wireless Remote Control: Range of up to 10 meters. Allows you to change modes without direct contact with the toy.
- Internal rechargeable battery: 500 mAh / Charges via magnetic USB cable / 60 to 90 minutes of continuous use
- Charging time: ~2 hours

Design and usability:

- Water resistant (IPX7): Submersible, suitable for use in the shower or bathtub
- Wide base with suction cup: Stability for hands-free use on smooth surfaces
- Compatibility: Suitable for water-based lubricants (do not use with silicone lubricants)

Recommendations for use and Maintenance:

- Wash with warm water and mild soap before and after each use.
- The use of an antibacterial cleaner for intimate toys is recommended.
- Store in a dry, dust-free place, preferably in its original bag or box.
