Product description

The 8" **COCK MILLER** is the perfect combination of anatomical realism and advanced pleasure technology. Designed for demanding users looking for a complete experience, this vibrating dildo is equipped with smart features, high-quality materials, and power that doesn't disappoint. Ideal for solo or couples play, in bed, the shower, or wherever your imagination allows.

Highlights:

- Total Length: 20.5 cm
- Insertable Length: ~18.5 cm
- Average Diameter: 4.3 cm
- Material: 100% hypoallergenic, phthalate-free, and body-safe medical silicone
- Texture: Ultra-realistic with a "skin"-like surface (skin-touch), defined glans, raised veins, and a firm structure with a soft coating
- Firmness: Solid core with a flexible exterior for a natural feel to the touch and during penetration

Integrated Technology:

- Powerful and quiet vibration: High-performance motor with multiple adjustable modes and speeds (from gentle vibration to deep, intense stimulation)
- Wireless remote control: Allows you to control the toy from a distance (up to 10 meters), ideal for couples and for greater comfort during use
- Internal rechargeable battery: 600 mAh / Charging via USB / Usage time: 60–90 minutes depending on the selected intensity
- Charging time: ~2 hours
- Water resistant (IPX7): Completely submersible, perfect for use in the shower or bath
- Functional design: Powerful suction cup base: Adheres firmly to smooth surfaces for completely hands-free use
- Ergonomic design: Slightly curved shape for more precise stimulation of the G-spot or prostate
- Compatibility: Can be used with a harness (O-ring system) and water-based lubricants

Maintenance and care:

- Wash with warm water and Neutral soap before and after each use.
- The use of antibacterial cleaners for sex toys is recommended.
- Store in a dry place, away from heat and dust. Includes a hygienic storage case.
