Product description

The 8.5" **COCK MILLER** is much more than a dildo: it's a masterpiece of modern pleasure. Designed to offer a deeply realistic experience, this dildo incorporates advanced vibration technology, wireless remote control, and safe, state-of-the-art materials. Its generous size and anatomical finish make every use an immersive, intense, and completely satisfying experience.

This model is designed for those seeking intense and deep stimulation, as well as for those who want to explore new ways to enjoy themselves alone or with a partner. Its power, design, and ergonomics make it an essential ally in the world of intimate pleasure.

Main technical characteristics:

- Total length: 21.5 cm
- Insertable length: Approximately 19.5 cm
- Average diameter: 4.3 cm
- Material: Premium-grade medical silicone, 100% hypoallergenic, phthalate-free, and body-safe
- Texture: Soft to the touch, with a "skin" finish, defined glans, and realistic veins that provide additional stimulation
- Firmness: Firm inner core with a slightly flexible surface to simulate the consistency of a natural erection

Electronic Features:

- Multi-speed vibration: High-performance, quiet motor with multiple vibration modes (from gentle pulsations to deep, continuous vibrations)
- Wireless remote control: Range of up to 10 meters; perfect for remote play or hands-free use
- USB Rechargeable Battery: 600 mAh / Play Time: 60-90 minutes per full charge
- Charging Time: Approximately 2 hours
- Noise Level: Low (

Functional Design:

- Powerful Suction Cup Base: Allows the dildo to be attached to smooth surfaces for hands-free use
- Harness Compatibility: Ideal for couples play with an O-ring system
- Natural Curvature: Ergonomically designed to precisely stimulate the G-spot or prostate depending on the angle of insertion
- Water resistance (IPX7): Fully submersible, perfect for use in the shower or bath

Care and maintenance:

- Wash before and after each use with warm water and neutral soap, or with a specialized cleaner for intimate toys.
- Use only with water-based lubricants.

-
- Store in a cool, dry place, preferably in its original bag or case (included).
