Product description

The safest and most natural relationship. Lubricated with Aloe Vera (2%), a substance known for its moisturizing and soothing properties.

- Nominal width 54 mm.
- Natural color.
- With easy opening system.
- It allows perfect adaptability (ADAPTA Technology), making your sexual relationship more satisfying.

Control Aloe is a natural rubber latex condom. Latex can cause allergies even anaphylactic shock if used if you are allergic to latex. Single-use product. Top quality. Control security is guaranteed by rigorous quality controls, including a unitary electronic control. Control condoms are effective as a contraceptive and protect against sexually transmitted infections (STIs).
