Product description

The special design of Control Forte allows a perfect adaptability, making your sexual relationship more satisfactory. Control Forte has a higher thickness while maintaining an optimal degree of sensitivity.

Control Forte is a natural rubber latex condom, of the highest quality, smooth, anatomical with non-parallel sides, transparent, lubricated and with a deposit. Nominal width 54 mm. Single-use product. Control security is guaranteed by hearing rigorous quality controls, including a single electronic control. Control condoms are effective as contraceptives and protect against sexually transmitted diseases.

- With easy opening system.
- 12 units.
- Greater thickness without losing sensitivity.
- Width: 5.4 cm.
- Length: 19 cm.
