Product description

To live intimacy with intensity.

Each great trip gives us new and surprising strength, even in the world of pleasure. The Geisha Balls level 3, a vaginal stimulant composed of 2 silicone balls of 28 g each joined together, are the perfect ally to stimulate and prepare sexual activity for those who have an already toned and elastic pelvic floor or who have already trained with the Geisha Balls of lower levels.

If used for 15 minutes a day, with specific training or Kegel exercises, they help women strengthen vaginal and pelvic muscles, improving and amplifying pleasure. Completely waterproof, they can also be used in the shower. For optimal use and more intense sensations, it is recommended to use the Geisha Balls with a Control gel.
