Product description

The Control Remote Wireless Vibrator is an intimate stimulator. It is made up of two parts, massager and remote control.

The Control Remote Wireless Vibrator will allow you to experience new sensations and fulfill your fantasies. Thanks to its wireless controller you can play alone or with another person from a distance, giving them control of your most exciting moments.

It is small and discreet and can be used alone or as a couple to make intimate moments even more intriguing. In addition, the vibrator has 10 different intensity levels. To get the most out of it and have more intense sensations, it is recommended to combine Remote Wireless with a Control gel.

Made of ABS plastic and polyurethane.

HOW TO USE

Press the '+' button on the remote control to start vibration. Adjust the desired vibration level with the '+/-' buttons on the remote control. The vibration will last as long as the included batteries allow before they run out. To stop vibration, press the on/off button on the remote control again. Clean the massager after each use (see cleaning instructions).

Can be used alone or with your partner. When used during sex, it does not offer any protection against sexually transmitted diseases or pregnancy.
