Product description

LOVE DIARY is, simply, the best gift you can give yourself and your partner. It contains a whole year of challenges, games, activities and appointments to complete in your free time, fill your routine with challenges and, finally, accumulate all those moments lived in a beautiful and indelible album of memories. **LOVE DIARY** is that little treasure that you will review thousands of times every winter, covered with a blanket and with a huge smile from ear to ear while you remember all those moments lived together. p>

It is presented in hardcover book format, with 136 high-quality pages (170g/m2) in full color, with an elegant matte design and in the purest Coupletition style. Inside, dozens of challenges, games, appointments and activities await you, 100% designed by our team and organized for each month of the year.

WHAT INCLUDED?

For each month of the year, include:

- **OBJECTIVE:** This is an objective that aims to improve your connection, communication and intimacy. They are thought and designed by a team of psychologists and specialists in couple dynamics.
- **GAME:** This is an activity that you can do from home, that you will keep in mind throughout the month and that will allow you to play. return from work with the hope of being part of a joint activity every day of the year.
- **QUOTE:** This is a proposal for you to enjoy a unique evening and where you can take photos for your gallery. Some of these appointments will be outside the home, and others they will be designed to take place within the 4 walls of your love nest.
- **GALLERY:** This is a section where you can paste all those photos together that immortalize those moments that you have experienced during the month while you complete the rest of the tests. You can also use this section to write dedications or texts that are meaningful to you related to the month you have lived. It is your album and it will be your treasure, so You can personalize it in any way you like.
