Product description

The new COVERME collection is designed and engineered to fulfill the fantasies you've always dreamed of, filled with the assurance of a top-quality toy. COVERME is a knockout thanks to its powerful low-frequency motors. The soft, silky silicone enhances the beauty of a toy that always leaves you wanting more.

Enjoy the soft touch of its curves, its two powerful motors, and dare to stimulate your two biggest pleasure zones at once. Its curved, flexible body is designed to easily reach the G-spot, while the other end suctions the clitoris. Mix its vibration and suction modes however you like, and this toy will bring you to ecstasy comfortably and explosively, making it the best friend you can have by your side in your most intimate moments.
