Product description

ELSIE; Conqueror by nature, its soft silky touch surface caresses the hiding places of women or men. Elsie not only transmits intense vibrations through its silicone body with a powerful motor, it also transmits happiness, Elsie's designer said "it manages to make me smile when I need it and it never fails me."

The certified hypoallergenic medical grade silicone stands out for its silky touch and excellent sliding capacity. So that you can enjoy your new friend for a long time, it is recommended that you use a waterfeel water-based lubricant in your wettest games. This way you protect the material and the surface remains silky. You can wash your toy very easily with water and mild soap. For more thorough hygiene, also use a special disinfectant cleaner for sex toys such as Waterfeel or Nina kikí toy cleaner.
