Product description

Simultaneous stimulation of the clitoris and G-spot, flexible body with silky silicone touch has a perfect ability to cause intense orgasms. It may look innocent but behind its appearance a powerful vibrator is hidden. With two powerful motors and 12 vibration programs it will make you feel like a complete woman.

The new series of Coverme Toys are waterproof and you can use them in humid areas.

Coverme batteries allow you to recharge it and respect the environment. They are made with new generation Lithium Ion batteries. If you want to recharge your toy from the mains, you can complete the USB cable with a conventional 5V plug.

The certified hypoallergenic medical grade silicone stands out for its silky touch and excellent sliding capacity. So that you can enjoy your new friend for a long time, it is recommended that you use a waterfeel water-based lubricant in your wettest games. This way you protect the material and the surface remains silky. You can wash your toy very easily with water and mild soap. For more thorough hygiene, also use a special disinfectant cleaner for sex toys such as Waterfeel or Nina kikí toy cleaner.
