Product description

Immerse yourself in an ultra-realistic pleasure experience with the Crazu Bull - Anaid Female Butt masturbator, a toy designed for those seeking intense and authentic sensations. Made with high-density TPE, its soft and elastic texture perfectly imitates human skin, giving you an unparalleled sensation to the touch. Its design accurately reproduces a small, sensual female pelvis, sculpted to provide an erotic and exciting visual stimulus.

This masturbator features two realistic entrances: a tight, twisting vagina filled with internal ribs that stimulate every movement, and a tight anus for those seeking an extra challenge of pressure and realism. Its internal tunnel is covered in spiral textures and strategically placed pleasure nodules to intensify every penetration and bring you to deeper climaxes.

The **Anaid** masturbator is much more than a simple intimate accessory: it is a tool designed to provide pleasure in the most realistic and satisfying way possible, becoming the ideal companion for unique moments of intimacy.

FEATURES:

- Function: Dual stimulation with vaginal and anal holes
- Material: High-quality TPR, soft and body-safe
- Technology Sort Skin: Hyper-realistic texture and natural elasticity
- Weight: 7 kg with stable core
- Waterproof and easy to clean
- Unparalleled physiological authenticity
