Product description

Ready to level up your solo satisfaction?

Squirt a little lube at the entrance, then sink your penis into the soft sheath to experience its stimulating ribbed texture. The stroker stretches to accommodate longer or thicker members and completely covers the head of the penis for a complete erotic encounter.

Plus, its ergonomic breast-shaped top means you can handle this stroker well. Squeeze it as hard as you want, whether you like it teasing or intense, and enjoy every stroke until you achieve an explosive finish.

Features

- Waterproof
- Material:TPR
- Color: Flesh
- Soft silicone

Now with Crazy Bull...iiiicrazy pleasure!!!
