Product description

Discover the most realistic and immersive pleasure with the **Mia** Realistic Female Masturbator Torso, a toy designed to offer intense and authentic experiences in every encounter. Weighing 8.5 kg, this torso achieves a perfect balance between stability and manageability, guaranteeing comfortable and pleasurable sessions.

The **Mia** design represents a mature woman with irresistible curves, highlighted by her femininity and sensuality. Her large, round breasts, firm and elastic bottom, and slim waist create a perfect silhouette that invites you to enjoy every detail. The internal structure is Carefully sculpted to allow its legs to glide and adapt to different positions, providing the possibility of exploring various positions in a realistic and comfortable way. Made of high-quality TPR, this masturbator offers a soft, pleasant texture that is completely body-safe. Its two independent orifices (vaginal and anal) have been anatomically designed to provide intense and realistic stimulation, with an authentic physiological sensation that faithfully mimics female intimacy.

In addition, **Mia** is waterproof, making it easy to clean and allowing you to enjoy it in humid environments, always guaranteeing a practical, hygienic, and safe experience. This realistic torso is not just a toy, but an accessory designed to offer an immersive, high-quality experience, designed for those seeking intensity, realism, and limitless pleasure.
