Product description

Turn masturbation into something almost real, close your eyes, activate the vibrator and start pushing... if you end up in so much excitement, don't worry, it is reusable and washable without damaging its material.

Concealed in a pearlescent finish hard plastic case with real-touch super-skin inner sleeve, the Crazy Bull Trish Vagina Masturbator has been molded straight from a porn star, for an incredibly realistic vaginal opening. On the inside, the stroker has a series of ridges and pockets that create delicious suction and pleasurable sensations that feel remarkably like the real thing. Use it with a little water-based lube and you'll wonder why you messed around with your hand for so long.

Made of TPR ABS with a completely new, silky and skin-like feel. Its measurements are 185 mm x 78 mm. After use, clean it with neutral pH soap and it will be ready for new use.
