### Product description

With this masturbator for men, feel the true pleasure of masturbation like never before. As if it were real skin and with a unique interior texture, it simulates a real vagina with all the details and sensations, but... that is not the best, it is made of waterskin, this means that if you apply water before use, its special material absorbs it, and serves as self-lubrication when the action begins! The latest in masturbation for men has arrived!

- Mastubator sleeve for men
- Vagina design and texture.
- Realistic feel
- Special Waterskin material
- Small in size so you can carry it wherever you want discreetly
- Measurements: See image
