Product description

Experience the thrill of being in control with this delightful harness for beginners or advanced. Made with very comfortable material, this classic harness is ideal for those who are new to harness games.

It has been specially designed for CYBERSILCOCK © dildos and comfort based on design and size.

Comfortable vinyl harness fits most sizes.

The CYBERSILCOCK © universal harness. Includes 3 rings to hold your dildo. You can use it with most of the dildos of the CYBERSILCOCK © collection

The diameters of the silicone rings are: Small 3.2 cm; Medium 4.2 cm; Large 5.2 cm.

The natural shape and composition of the cybersilcock material make this realistic dildo look particularly real. Its straight shape, ending in a precisely defined glans penis, and the authentic base of the testicles pamper you in a heady and sensual way. Whether you prefer to be pampered vaginally or anally is entirely up to you. Both are easily possible with Oliver. The wide suction cup is stable on smooth surfaces, and therefore the dildo is also suitable for wild adventures in the shower and bath, alone or together.

- Total length; 19 cm
- Insertable length; 15 cm
- Width; 3.9 cm

When you buy this product you get; HARNESS + DILDO CYBERSILCOCK + 3 SILICONE RINGS.

MATERIAL AND CARE

The dildo is made of liquid medical silicone. Liquid medical silicone is skin-friendly and quickly stores body heat and makes your experience particularly sensual. However, it is important that you make sure to use a water-based lubricant in conjunction with each silicone toy, otherwise the toy could be damaged or deformed. When cleaning the toy, you will get the best results with an antibacterial toy cleaner. THE CYBERSILCOK BRAND

As the name suggests, CYBERSILCOCK toys are made of silicone. Natural dildos with a realistic design are very suitable for beginners or advanced people in sexual games. Cybersilcock was originally born as a technological brand of remote control vibrators with incredible functions. However, many customers requested vibration-free dildos with the same material as cybersilcock. Now it is a reality and cybersilcock dildos have arrived to continue surprising
