## Product description

Double-sided riding crop with stimulating feather.

With it you can practice the most secret, hidden and unknown part of sex, first stimulating your partner with the soft feathers and then whipping him with the riding crop on the opposite side. Discover new possibilities in your relationships.

Erotic sensation play is a class of activities that are made to impart physical sensations on the couple.

Many people find feather tickling to be a pleasurable experience and it can be part of very erotic foreplay.

The feathers are unique and will tickle all your senses for an unforgettable experience.
