Product description

Add high protocol to your BDSM scenes with a posture collar and leash.

Keep your partner upright so all of their assets are on display. The height of the padded collar will ensure that your chin is raised at all times. Padded and adjustable, the collar is comfortable and will fit most submissives, slaves, or curious lovers. Additionally, a locking buckle allows you to confine your lover within the posture collar for as long as you wish.

The chain link leash attaches to the D-ring on the collar via a swivel hook, ending with a looped leash to hold while you guide your pet, admiring its movement.

- Made of high quality PVC leather and metal.
- Padded collar interior for greater comfort.
- One size fits all.

THE BRAND

Collar Guide

Collar Guide

Measure neck circumference before ordering. Leather collars soften with wear. Metal collars require a hex key or screwdriver for removal.

Never leave a locked collar on during MRI or other medical procedures.
