### Product description

#### **DARE... WITH SADOMASOCHISM**

This BOOK WITH GAMES proposes us to discover SADOMASOCHISM, which is a set of sexual practices that are still marginal and mysterious. Finally, a work reveals everything on this topic, without detours.

Dominant or dominated, which role is the best? What are the essential accessories to practice it? What are heels for, other than to appear taller? Does a sadomasochistic couple have a future? The author answers this and other questions and puts all her experience at the service of this manual.

**Diablo Picante**, pioneers in Spain in the manufacture of fun items with an erotic theme for all types of celebrations: farewells, birthdays, retirements, jokes, parties and any other event with friends and colleagues.
