### Product description

#### **DARE... WITH THE KAMASUTRA**

This BOOK WITH GAMES proposes to discover the 49 positions, classified based on the seven deadly sins: envy with quick sex, gluttony with oral sex positions, greed to enjoy without too much effort, anger to fly sparks, the lust to explore new paths, the pride to make love in a spectacular way and, finally, the laziness to end up as exhausted as they are happy!

All of these positions are accompanied by their respective variants, testimonials and practical advice, which allow - for example - lovers of different heights to fit together better.

**Diablo Picante**, pioneers in Spain in the manufacture of fun items with an erotic theme for all types of celebrations: farewells, birthdays, retirements, jokes, parties and any other event with friends and colleagues.
