### Product description

#### **DARE... WITH THE WHIP**

This BOOK WITH GAMES teaches us that spanking is one of the oldest and most widespread sexual practices. Without violence or humiliation, or just a pinch of both elements, this little GAME-BOOK freely consented to by adults has always been part of the most torrid erotic rituals.

Recommended in the past to reinvigorate male ardor, spanking, as long as you do not abuse it, will become one of the accomplices of your sexuality. For a BOOK-GAME that explains everything and offers practical advice to achieve PLEASURE WITHOUT PAIN.

**Diablo Picante**, pioneers in Spain in the manufacture of fun items with an erotic theme for all types of celebrations: farewells, birthdays, retirements, jokes, parties and any other event with friends and colleagues.
