Product description

Discover the most exciting and fun game for couples or groups with the 2 DIVERSITY SEX erotic position + location dice. An original way to let chance decide which position and where you'll enjoy the next moment of passion.

Made of high-quality, hard material, these 30 mm x 30 mm dice are designed to withstand use and offer a play experience full of excitement and laughter. Each roll is a surprise: one die will tell you the position and the other the location, creating endless combinations to break the routine and add spark to the relationship. The set comes in a transparent cup, ideal for shaking, rolling, and storing the dice comfortably, as well as making them easy to transport. Its compact and durable design allows you to take it anywhere: a romantic getaway, a party with friends, or a special night with your partner.

Perfect for those who want to experiment, explore, and have fun, this game turns indecision into an opportunity to discover new experiences filled with laughter, connection, and passion. What position are we doing today? Let luck choose the next move and experience unique moments of fun, passion, and complicity with erotic dice.
