Product description

Bring your celebrations to life with our cock-shaped glass! Made from hard plastic and in a vibrant fuchsia colour, this 500ml glass is the perfect addition to bachelor parties, birthdays, parties or any event where you want to add a touch of fun and mischief. With an ideal capacity for 3, 4 or 5 ice cubes, this glass ensures that your drinks stay cold while everyone enjoys laughter and good times.

At DIVERTY SEX, we know that a party is not complete without a little fun. Not only is this glass a great way to serve your drinks, but it also becomes a fun conversation starter and a great starter for laughter among friends. Imagine your guests enjoying their drinks in this original glass; Fun and joy are guaranteed!

With over 30 years in the market, we have specialized in offering sexy gifts that brighten up birthdays, bachelor/ette parties and any celebration that requires a special touch. Our wide range of sexual products is designed to satisfy all tastes and make each event unique and memorable.

This cock-shaped glass is a must-have in virtually 100% of adult stores, making it a perfect gift for those looking to add a spicy touch to their parties. Whether you're hosting a fun dinner party or a themed celebration, this glass will be a hit with any party. The star of the night.

Dont miss out on yours! With the cock-shaped glass from DIVERTY SEX, your parties will be full of laughter, fun and a touch of originality. Make your events an unforgettable experience full of surprises!
