Product description

Wick/vagina shaped opener that stays upright for bachelor parties, birthdays, parties or any event. Laughter will be insured.

- **Varied Shapes and Sizes:** Openers come in a wide variety of shapes and sizes. The most common include lever-shaped beer bottle openers. Some also have custom shapes or specific themes to appeal to different tastes and preferences.
- **Durable Materials:** Most openers are made of durable materials such as stainless steel, metal, strong plastic or wood. This ensures that they can withstand repeated use over time.
- **Simple Functionality:** The main function of an opener is to open bottles, and they do it efficiently and without complications. For example, lever bottle openers have a lever that goes under the cap and lifts up to remove it.
- **Portability:** Openers are often small and portable, making them ideal for carrying in your pocket or as an accessory on a keychain.
