Product description

The Body Dock SE Pegging Kit is the ultimate harness system for changing your favorite Strap-ons!

The patented Body Dock SE Universal Harness System is the easiest, most comfortable Body Dock that we've made! It's as simple as attaching the suction cup on this platinum silicone Dillio dildo to the silicone docking plate. No rings. No snaps. No hassle. Best of all, it works with most dildos on the market today, including some you already own.*

The Dillio Platinum dildo is made with platinum-cured silicone for the HIGHEST degree of purity. This ultra-clean silicone exhibits strength, durability, flexibility, and non-reactivity with bodily fluids and skin. It is often the material of choice for medical devices because of its many outstanding features.

The solid suction cup offers superior performance and gives you more versatility and convenience during use. It was specifically designed to be used with the Body Dock and other universal strap-on harnesses.

Every Dillio Platinum dildo is responsibly crafted with compliant materials and carefully checked to match our top quality guidelines. You can enjoy every Dillio Platinum masterpiece with full confidence!

*The Body Dock SE docking plate measures 2.8 in. 72 mm in diameter and is optimized for any dildo with a suction cup with a diameter smaller than 2.6 in. 65 mm
