Product description

The **Diversia** brand offers exclusive toys for men and women. The product range includes a wide range of full color remote control vibrators. Diversia makes all the high quality products and has the right thing in the colorful range for all sexual orientations.

Diversia is love of sex from total respect for freedom without following imposed ideological patterns. **Diversia** is sexual diversity, but what do we offer?

A full range of firm nature dildos that are ready with a strong suction cup for passionate pampering. Its flexible and authentic shaft provides continuous vibration in each position, which can be easily regulated with the wired remote control.

If you want to share your happiness and enjoy the charm of pleasure for two, it can also be easily attached to a leash harness.

Diversia adds an exciting game for two through its remote control to which you can connect two dildos simultaneously and play with a single control. This is possible? Well, we have thought about how to add high intensity to sex. A party? a game for two? a game for three? Two enjoy and one controls?
