Product description

Diversia offers toys exclusively for men and women. The product range includes a wide range of remote control vibrators in any color. Diversia manufactures all high-quality products and has the right thing to do in the colorful range for all sexual orientations

Diversia is love of sex from total respect for freedom without following the imposed ideological patterns. **Diversia** is **sexual diversity**, but what do we offer?

A complete range of dildos of a firm nature that are ready with a resistant suction cup to pamper you passionately. Its flexible and authentic shaft gives you continuous vibration in every position, which can be easily adjusted with the wired remote control

If you want to share your happiness and enjoy the charm of pleasure for two, you can also easily hold a harness with a leash.

Diversia adds an exciting game for two through its remote control to which you can connect two dildos simultaneously and play with a single controller. is it possible? Well, we have thought about how to add high intensity to sex, a party? a game for two? a game for three? Do two enjoy and one controls?
