### Product description

More Sexploration, More pleasure. Take control of your pleasure and choose your own adventure with **Ride & Tease**, the Durex Multi-Use Stimulating Vibrator.

Explore and arouse yourself in multiple ways with this multi erogenous zone stimulator, designed for 360° fun. Stimulate your clitoris and any other erogenous zone with the double tips, for specific vibrations. There are 7 vibration modes!

You can also use the tips to stimulate the entrance to the vagina or vulva. Or flip it over and use the wider base for fuller stimulation, to enjoy waves of pleasure. Alternatively, use it as a cock ring to stimulate your partner's testicles and clitoris or perineum. The wide base can come over or under, but you can rotate it however you want.

This toy offers 60 minutes of uninterrupted fun, both alone and as a couple. Whether in the shower or in bed. Enhance your gaming moments by combining it with a Durex water-based lubricant for a better experience. We want you to feel in control and safe, so Please read the instruction leaflet before use and keep it as long as you have the toy. This product is not for anal use or to be inserted completely into your vagina.
