Product description

Durex Natural Slim Fit Condoms by DUREX.

Durex Natural Slim Fit Condoms, for the comfort of those who prefer a tighter size than our regular Natural condom.

Durex Natural Slim Fit condoms have a medium thickness. Their perimeter is tight, they have a nominal width of 52 mm, and they are silicone lubricated.

These condoms are transparent, made of natural rubber latex, have straight walls, and are soft and with a reservoir. We are all different, but the right size should always make you feel comfortable and confident.

The way we make Durex condoms makes them smell better.

100% of our condoms are electronically tested. In addition, each batch goes through 5 quality tests. Dermatologically tested.

More than 90 years of real sex. We claim real sex, that feels good and satisfies. That's why, for more than 90 years, millions of people around the world have trusted us every day (and night).

They have made us the No. 1 condom brand in the world*. So So, regardless of the type of sex you want to have today, be prepared with the right protection.

Contraindications:

- This condom is Made from natural rubber latex, which could cause allergic reactions, including anaphylactic shock, if the user is allergic to latex.

Precautions:

- Try to only use lubricants that are recommended for use with condoms.
- For anal sex, use additional lubrication on the outside of the condom (do not use Durex Frescor or Lovers Connect). Remember that no contraceptive method works 100% against pregnancy, HIV or sexually transmitted infections.
- Condoms can present a choking hazard. Keep out of the reach of children.
- Stop using it if you feel discomfort or irritation when using the condom.
- Use the condom only once. Reuse may increase the risk of breakage and infection.
- If you first use the condom for oral sex, you must use a new condom for any other type of sexual practice afterwards.
- Consult your doctor or pharmacist if you are not sure if you are allergic to latex or if irritation or discomfort persists after use, or if you are using medications topicals on the penis or vagina.
- If the condom breaks or leaks during sex, consult a pharmacist or doctor as soon as possible and within 72 hours.
- Serious incidents must be reported to Reckitt and the relevant local authority who will provide assistance. more advice. Complies with health product regulations.
