Let's talk about the new Ibiza Sex Toys brand.

Can we add a touch of excitement to the Ibizan inspiration? Ibiza represents new experiences, the attention to detail, every shape, the power of its engines, and its excellent feel.

Ibiza is made up of a total of ten exclusive toys, each with special functions that will make your store shine, attracting attention in an unparalleled way thanks to its unique presentation.

All toys are made with premium, super-soft, hypoallergenic silicone, silky smooth in every curve and texture, easy to clean, and with an unparalleled feel. This material is rated as the best for use in sex toys thanks to its easy lubrication, durability, and, of course, its luxurious and excellent appearance.

In addition to the silicone, they come with a pearly gold detailing, perfecting the ultimate in elegance, making them the perfect purchase for a beautiful and luxurious gift for couples or special friends. Ten exclusive toys, each with special features that will make your business shine, attracting attention in an unparalleled way thanks to their unique presentation.

When it comes to convenience and discretion, Ibiza is starting with innovation, as we also consider it a very important part of the erotic toy buying experience. When you purchase an Ibiza toy, you'll receive a premium box with a black carrying bag inside, containing the toy, a charger, and a single-dose sachet of Waterfeel Neutral lubricant to make your first experience as pleasurable as possible. You can also discreetly take the toy wherever you want.

"When pleasure is a two-person affair, everything improves." Ibiza offers toys specifically designed for couples, which can be used in both his-and-hers games, such as pegging, or using remote-controlled eggs that discreetly stimulate a woman's G-spot. These toys can be used on a special date, no matter the location.

Our ultimate goal with this range of luxury toys is to make every person who owns one feel special, having patiently studied the needs of the end customer to satisfy all their needs and taking great care of every detail to make it the best gift you can give to someone special.

Therefore, we present Ibiza, to distinguish luxury, to give shape and personality to sex as never before imagined, so that foreplay becomes a necessity within couples, and to make masturbation a magnificent moment, marking the difference in a pleasurable experience.

Why choose Ibiza material?

MATERIALS AND CARE

All Ibiza toys are made of silky-smooth medical silicone, which is extremely slippery and quickly absorbs your body heat. The toy can be easily cleaned with warm water and a little soap. With a little disinfectant toy cleaner, you can ensure particularly thorough hygiene, ideally with the perfectly coordinated disinfectant spray from Waterfeel or Intimichic. For maximum gentle pleasure, always use your toy with one of the Waterfeel water-based lubricants that perfectly match the product.
