Product description

Indulge in the most sophisticated pleasure with the **IBIZA** Rabbit Vibrator with Moving Ball, a toy designed to offer you a unique and intense experience with every use. With a perfect combination of advanced technology, comfort, and versatility, this vibrator is equipped with three powerful motors that provide both internal and external stimulation. Plus, its moving ball adds an extra touch of pleasure, simulating a rotating motion that intensifies sensations and takes your satisfaction to the next level.

Highlighted Features:

- 3 Powerful Motors: This vibrator features three specially designed motors to provide intense, multiple stimulation. One motor is dedicated to internal vibrations, while the other two work on the external part and the movable sphere, ensuring an immersive and pleasurable experience that targets all your pleasure points.
- USB Rechargeable: Forget about disposable batteries. The Moving Ball Rabbit Vibrator is easily recharged via USB, allowing you to have it ready to use after just a few hours of charging. This charging system is convenient, eco-friendly, and ensures continuous performance throughout your moments of pleasure.
- 7 Vibration Modes: With 7 vibration modes available, this vibrator allows you to adjust the intensity and rhythm of the vibrations to suit your needs and desires. From a gentle, relaxing vibration to more intense pulsations, you can explore a wide variety of sensations.
- 10 Rolling Modes: The built-in movable ball has 10 rolling modes, mimicking a rotational motion that enhances internal stimulation. This provides a unique touch of realism and a more immersive sensation of penetration, perfect for those looking to experience deeper stimulation.
- 7 Stimulation Modes: In addition to vibrations and rotating motion, this vibrator has 7 stimulation modes ranging from gentle to intense, allowing you to experience different patterns and rhythms for personalized pleasure. The variety of modes ensures you can always find the perfect setting for you.
- Silicone and ABS Material: The Moving Ball Rabbit Vibrator is made of medical-grade silicone and ABS, hypoallergenic and body-safe materials. The silicone provides a silky smooth feel against the skin, while the ABS ensures the product's durability and strength, ensuring a comfortable and high-quality user experience.
- IPX5 Waterproof: With an IPX5 rating, this vibrator is splash-proof, allowing you to use it in the shower, bathtub, or anywhere water is present without worrying about damaging it. This feature also makes it easy to clean after use, keeping it in top condition.

The **IBIZA** Moving Ball Rabbit Vibrator is the ideal choice for those seeking a complete and multifaceted pleasure experience. With its combination of 3 motors, 7 vibration modes, 10 rolling modes, and 7 stimulation modes, this vibrator provides personalized and intense stimulation. Its ergonomic design, safe material, and water resistance make it a must-have addition to your collection. Enjoy ultimate satisfaction and indulge in limitless pleasure with this advanced and versatile vibrator.
