## Product description

With the **IBIZA** Twister Rotating Dual Motor Vibrator, you'll embark on a unique and unparalleled pleasure experience. Designed for those seeking complete and intense stimulation, this vibrator combines the power of two motors with a rotation function that takes the experience to a whole new level. Equipped with 10 vibration modes and 10 rotation speeds, you can customize each pleasure session to suit your deepest desires. Plus, its ergonomic, waterproof design makes it an ideal companion for exploring your pleasure, whether in the comfort of your bed or while enjoying a relaxing bath.

**Highlighted Features:**

- 2 Powerful Motors: The Twister Vibrator features two high-powered motors, each specialized to provide unique and simultaneous stimulation. One motor provides deep, enveloping vibrations, while the other controls rotation, creating a dual stimulation experience that works both internally and externally for a more complete and deeper pleasure.
- USB Rechargeable: The Twister Vibrator is easily recharged via a USB port, allowing you to forget about disposable batteries and enjoy eco-friendly, efficient charging. After just a few hours of charging, the vibrator will be ready to provide you with hours of uninterrupted pleasure. Its convenient and practical charging system ensures it's always ready when you need it.
- 10 Vibration Modes: With 10 vibration modes available, this vibrator lets you experience a wide range of sensations, from gentle and subtle to intense and powerful pulsations. These different vibration modes allow you to explore new forms of stimulation, adjusting them to your mood and needs at any given moment.
- 10 Rotating Speeds: The Twister Vibrator also features 10 rotating speeds, offering a variety of movements and rhythms, from gentle twirling to intense, penetration-like movements. This gives you the ability to customize the experience to your preference and find the speed that best suits your desires.
- Silicone and ABS Material: Made with medical-grade silicone and ABS, the Twister Vibrator is body-safe and comfortable against the skin. The silicone provides a silky smooth texture that fits perfectly against your body, while the ABS guarantees durability and strength, ensuring the product remains in optimal condition for a long time. These materials are hypoallergenic, easy to clean, and completely safe for your health.
- IPX5 Waterproof: Thanks to its IPX5 rating, this vibrator is splash-proof, allowing you to enjoy stimulation in the shower, bathtub, or any wet environment without worry. Plus, its water resistance makes cleaning the product much easier and more convenient, allowing you to keep it in perfect hygienic conditions after each use.

The **IBIZA** Twister Rotating Dual Motor Vibrator is an ideal choice for those seeking an intense, personalized, and comfortable pleasure experience. With two powerful motors, 10 vibration modes, 10 rotation speeds, and an ergonomic design, this vibrator offers multifaceted stimulation that adapts perfectly to your needs. Its body-safe material, water resistance, and USB charging make this vibrator a practical and functional accessory for all your intimate moments. Get ready for a completely new experience, full of deep and pleasurable sensations with the **IBIZA** Twister Vibrator.
