Product description

Discover a new dimension of pleasure with the **IBIZA** Wiggle Rotating Remote Control Vibrating Ring, a product designed to offer you a unique sensory experience. With a powerful motor, 10 rotation modes, and an easy-to-use remote control, this vibrating ring is designed to maximize stimulation during sex, for both you and your partner. Its ergonomic design, versatility, and diverse functions will allow you to experience pleasure in a completely personalized way.

Highlighted Features:

- Powerful Motor: Despite its compact size, the Wiggle Vibrating Ring features a powerful motor that delivers deep, immersive vibrations, perfect for heightening sensations during intercourse. Its motor is designed to maximize stimulation of the clitoris and penis, creating a pleasurable experience for both the wearer and their partner.
- USB Rechargeable : This vibrating ring is fully USB rechargeable, allowing you to enjoy uninterrupted pleasure. Forget about disposable batteries and enjoy the convenience of fast, efficient charging, ensuring the device is ready to use whenever you need it. With just a few hours of charging, you'll be ready for extended sessions of pleasure.
- Remote Control : The inclusion of a remote control makes using the Wiggle Ring Vibrator even more convenient and fun. With the remote control, you can easily adjust the 10 rotation modes and 10 vibration frequencies, giving you the freedom to experience different intensities without interrupting the moment. Ideal for both solo and partner use, the remote control allows you to effortlessly take control of the experience.
- 10 Rotation Modes: With 10 rotation modes available, this vibrating ring offers a variety of movements to suit your desires. Whether you prefer slow, sensual movements or fast, exciting twists, this device has the ability to deliver a wide range of sensations for optimal stimulation.
- 10 Vibration Frequencies: The Wiggle Vibrating Ring features 10 different vibration frequencies that vary in intensity and rhythm, allowing you to adjust the level of pleasure throughout your experience. Each frequency is designed to offer unique stimulation, allowing you to explore different sensations, from the mildest to the most intense.
- Silicone and ABS Material: Made with medical-grade silicone and ABS, the vibrating ring is completely body-safe. The silicone is soft, flexible, and extremely comfortable, providing a pleasant, natural feel against the skin. The ABS, meanwhile, provides durability and strength, ensuring the product maintains its functionality and aesthetics for a long time. Both materials are hypoallergenic and easy to clean, ensuring a safe and comfortable experience.
- IPX5 Waterproof: With an IPX5 rating, this Wiggle Vibrating Ring is splash-proof, allowing you to enjoy it in the shower, bathtub, or any wet environment without worry. Plus, its water resistance makes it easy to clean after each use, ensuring it stays hygienic.

The **IBIZA** Wiggle Remote-Controlled Rotating Vibrating Ring is the ideal accessory for those seeking powerful, versatile, and easy-to-control stimulation. With 10 rotation modes, 10 vibration frequencies, and an ergonomic design that fits perfectly to your body, this ring offers a complete pleasure experience. Its remote control allows you to adjust every setting without missing a beat, while its body-safe material and water resistance make it even more comfortable and functional. Enjoy deep, personalized stimulation with this innovative vibrating ring and take your intimate moments to the next level.
