Product description

Bring some electro-play magic into your bedroom bondage games with our first ElectraStim Spanking Paddle! This bi-polar beauty is crafted from smooth leather and features a trio of electrodes to escalate the impact of your sensory play.

You can use this bi-polar electrode as a uni-polar electrode to synchronise pleasure and pain like never before. Try spanking alongside an ElectraLoop cock ring, an anal sex toy or a vaginal probe for a play session to remember, or use ElectraPaddle with our ElectraStim Flick stimulators for rhythmic stimulation that matches the force of your swing.

Electrode Type:

- Bi-polar for external stimulation - takes 2x 2mm pin connectors. 1x ElectraPaddle is included in each pack. You will need an ElectraStim stimulator to experience the described sensations.

Dimensions:

- 13.25 inches overall length. 9-inch paddle length. (336mm x 225mm)

Materials:

- Genuine leather with chromed steel contacts.
