Product description

Get the perfect introduction to dual-channel stimulation with the ElectraStim Flick Duo Multipack. Not only do you get the amazing dual-channel ElectaStim Flick Duo Stimulator, you'll also receive our best-selling Silicone Noir Aura probe (suitable for vaginal and anal use), a pair of ElectraLoops cock rings, 4 self-adhesive ElectraPads and a tube of electroconductive gel.

Whether you're an established estim player looking to upgrade your kit with a new rechargeable unit or you're a beginner looking to buy ElectraStim products for the first time, this multipack fulfils your needs. Enjoy 4 motion-activated stimulation settings, 8 pre-programmed stimulation patterns and 25 intensity levels across 2 isolated channels for maximum control.

What's Included?

- - 1 x ElectraStim Flick Duo EM80 Stimulator
