### Product description

The ElectraStim Flick Duo is the world's first rechargeable electro sex machine with 2 independent channels!

Ideal for couples and power players who want to use more toys at the same time, Flick Duo can power up to 4 uni-polar or 2 bi-polar electrodes at once. Each channel is controlled independently, giving you more control over the sensations you feel and improving shared stimulation with your partner.

With 8 pattern settings and 4 motion-activated Flick settings to explore over 25 intensity levels, you'll be spoiled for choice as you explore the titillating charms of this innovative stimulator.

Small in size and big on function, you'll love the sleek look and feel of this intuitive electro-stimulation device. We've included everything you need to get started, including 4 of our best-selling ElectroPads so you're ready to play straight from the box.

Note: To ensure you're choosing a Stimulator with ample power for your accessories, we always recommend consulting our
