Product description

Perfectly proportioned to leave you feeling full without being overstretched, our medium-sized Midi butt plug is ideal for anal sex toy beginners looking to move onto something bigger.

Midi has a 2.75-inch insertable length that nuzzles against his prostate or enhances her sexual sensation, and a tapered shape that widens to a satisfying 5-inch girth. The larger size of this metal butt plug combined with the heavier weight makes Midi a sensual challenge to conquer.

Connect Midi to one of our stimulators and you'll experience powerful pelvic floor contractions caused by the erotic tingles electrostimulation creates. Midi is compatible with our full range of ElectraStim stimulators and we even sell adapters for use with other power boxes. Enhance comfort and sensations with some water-based lubricant and lose yourself to the pleasures of EES anal play.

Electrode Type:

Bi-polar for internal stimulation - takes 2x 2mm pin connectors. 1 Midi Butt Plug is included in each pack. You will need to connect the butt plug to an ElectraStim stimulator to feel the sensations described.

Dimensions:

2.75 inches insertable length with a 5-inch circumference at the widest point (70mm Insertable length x 40mm Diameter)

Materials:

Made from marine-grade aluminium with an acrylic isolator strip. The base is detailed with insulating nitrile rings.

Safety Guide

E-Stim Safety Guide
