Product description

With a wide upward curve, bulbous tip, and mid-shaft swelling, Ovid is a beautifully shaped dildo that provides incredible stimulation for your G-spot or your prostate. Soft, squeezable and incredibly conductive, this sensual electro dildo connects to any ElectroStim stimulator to give you provocative pulsations and powerful contractions that bring you closer to an explosive G-spot orgasm.

Ovid's 5-inch length reaches your G-spot or your prostate with ease, bringing the potential for hands-free orgasms and squirting to your bedroom arsenal. With bipolar contacts that punctuate shaft length, you can expect an explosive sexual experience whether you play as part of masturbation, foreplay, or sex.

Bipolar for Internal Stimulation - Takes 2 2mm Pin Connectors. 1 Noir Ovid silicone electrode is included in each package. You will need to connect Ovid to an ElectroStim stimulator to feel the sensations described.

Dimensions:

- 5 inch insertable length x 4.7 inch circumference at widest point.
- (125mm length x 120mm circumference)
