Price	174.12 £
Number	70140951
Producer code	FETISHID-227122
EAN	609224031168

Product description

Beautifully crafted from marine-grade aluminium, this ribbed metal dildo offers intensified stimulation along its whole length thanks to its full curves and deep ridges. Ideal for using with or without one of our stimulation units, the cool metal surface of the Wave dildo provides expert G-spot and P-spot massage.

Plug this bi-polar electrode into your ElectraStim stimulation unit to transform play. As your PC muscles throb and clench in time with stimulation, you'll discover a new and exciting way of experiencing intense internal pleasure.

With a 5.5-inch insertable length and slimline 3.5-inch circumference, both beginners and experienced electrostim fans will find Wave easy and enjoyable to get to grips with. The sensual combination of a textured surface and erotic electrostimulation makes for an excellent alternative to traditional vibrators.

Electrode Type:

Bi-polar for internal stimulation - takes 2x 2mm pin connectors. 1x Wave Dildo is included in each pack. You will need to connect Wave to an ElectraStim stimulator to feel the sensations described.

Dimensions:

5.5 inches insertable length x 3.5 inches in circumference (135mm insertable length x 28mm diameter)

Materials:

Marine-grade aluminium contacts with an acrylic isolator strip and nitrile insulating rings.

Safety Guide

E-Stim Safety Guide

Never mix electrostimulation with other electrical devices. Use only water-based conductive gel. Limit sessions to 30-60 minutes.

Stop immediately if you feel pain or dizziness.
